S/S 2016 SUMMER COLLECTION **LUXLOUNGE**

# Michelle Banarsé

## PHILOSOPHY

There is something about 'Luxlounge' that is really exciting. Luxlounge is the connecting signature that runs seamlessly through all Michelle Banarsé collections.

It is first and foremost all about comfort. Equally it is all about quality fabrics, clean lines, sophisticated silhouettes and classic pieces that you will find yourself reaching for again and again.

*'Combining sensual delicate silks, cottons and cashmere with classic chic leather, mixes the feminine and the masculine with a comfort and sensuality that is inspired by the world around me: architecture, people, colours and celebrations.'*

*'Having the freedom to work with some of the best international factories and traditional skills of local craftsmen and women around the world, my collections capture my clear vision for the future. A spirit of independence, fusing fashion with lifestyle.'* – Michelle Banarsé
